Docket No. RM2013-5

MOTION OF PUBLIC REPRESENTATIVE FOR  
LATE ACCEPTANCE OF REPLY COMMENTS

(October 17, 2013)

The Public Representative hereby moves for permission to file late reply comments in the above referenced docket. Reply comments were due on October 10, 2013. However, due to a lapse in appropriations, the Public Representative was unable to file to her reply comments until today, the first day she has been permitted to return to work. In light of the limited nature of her reply comments, she believes no party will be prejudiced by late acceptance of the comments.

Respectfully submitted,

Anne J. Siarnacki  
Public Representative
